Accept Student GUI:

A screenshot of a GUI window titled "Accept a Student". The window has a title bar with a minimize button, a maximize button, and a close button. Inside the window, there are two buttons: "Accept" on the left and "Quit" on the right. Below the buttons are three input fields: "Name:", "Email:", and "Average:". All input fields are currently empty.

A screenshot of the "Accept a Student" GUI window. The "Name:" field contains "George Jamez", the "Email:" field contains "georgej@gmail.com", and the "Average:" field contains "67". Below the input fields, the text "Student accepted." is displayed in green.

A screenshot of the "Accept a Student" GUI window. The "Name:" field contains "George Jamez", the "Email:" field contains "georgej@gmail.com", and the "Average:" field contains "987". Below the input fields, the text "High School average out of range." is displayed in red.
